

You are not **invisible**,  
but your **hearing system** can be.

**Schedule your  
appointment today!  
Space is limited!  
offer ends 4/10/07**

**PHONAK**  
hearing systems

*Phonak micro Hearing Systems are virtually invisible!*

New technology makes better hearing a reality

- Excellent Hearing in Noisy Situations
- No "Plugged Up" Feeling
- No Whistling Technology\*
- Light weight...you won't notice it
- Small and discrete...no one else will notice it either!!

*\*Select Models*

**A Free Hearing Screening** and hearing system demonstration will be offered on **March 16th & 17th**. A Phonak Technology Specialist will be present to discuss the latest in digital technology.
